

**David Barda**  
**Chief Technology Officer**  
**Simavita Pty Ltd**

David joined FBH in 2005 to drive product design, develop strategic plans, and prepare the company for market entry. David is a commercialisation and start up specialist with 15 years experience across all areas of R&D and business development relevant to intellectual property based businesses.

He has worked for research groups at the University of New South Wales and the Garvan Institute of Medical Technology as well as a number of private companies. He has been involved in the representation of stockbroker and private investor interests by providing analysis of technology companies.

David is the founder of IF Media, a film industry publishing, event management and production company; and was awarded an AFI award in 2000 for his industry contributions. He is currently completing a Masters of Intellectual Property through Monash University.
