### **Fiona Pak-Poy** **Partner** **Innovation Capital**

Fiona is a Partner with Innovation Capital, a leading Australian venture capital firm. Innovation Capital is recognised for its uniquely hands-on approach to managing a diversified portfolio of early to mid-stage Australian technology companies. They invest across physical and life sciences, including medical device, telecommunications, IT, engineering, cleantech and biotech sectors.

Fiona has many years experience in engineering and technology companies, from start-ups to large corporations. She has co-founded an e-commerce start-up, worked with The Boston Consulting Group in the US and Australia, and has practised as a consulting and R&D engineer.

Fiona is on the board of various private companies in which Innovation Capital has made investments. She is on the Federal Government Innovation Australia's COMET/ICIP Committee and the board of ARI, the commercial development company of the University of Adelaide. Fiona has represented South Australia, New South Wales and Australia in field hockey.
