**Travis Hardy**  
**Business Manager**  
**ARRK Australia & New Zealand**

Travis is a Mechanical Engineer with over 13 years experience in product design, development and manufacturing, working locally and in Japan for companies such as Siemens, GE and Yazaki. He has worked across many industries including telecommunications, automotive and plastics engineering and more recently within the medical devices segment supporting start-up and established medical companies to manage their new product introductions. Travis is currently undertaking a Masters in Entrepreneurship & Innovation from Swinburne University of Technology.
